**AMEND Senate Bill No. 1605\***

**House Bill No. 1473**

by deleting the punctuation “.” at the end of subdivision (b)(1) of Section 1 of the bill and substituting instead the following language:

until the bus reaches fifteen (15) years of service. Upon a bus reaching fifteen (15) years of service, the commissioner of safety or the commissioner’s designee shall make at least two (2) inspections of such bus each school year it is in service. The department of safety is authorized to collect a fee for additional inspections conducted for buses in service after reaching fifteen (15) years of service. The fee shall be paid by the owner of the bus in service after reaching fifteen (15) years of service on an inspection-by-inspection basis; provided, however, that the LEA may pay the fee for any bus servicing the LEA.

AND FURTHER AMEND by adding the following language as a new subdivision (b)(4) to Section 1 of the bill and renumbering the subsequent subdivision accordingly:

(4) If the commissioner of safety finds that an LEA or owner of a bus has not provided appropriate maintenance or has not kept accurate records of the maintenance on a bus with over two hundred thousand (200,000) miles or seventeen (17) years of service, the commissioner may remove such bus from service.
